Create Together

\$15/class/project

\$5/additional project

Tuesdays 5:15-6 pm

Spend creative time together in this relaxed weekly art class for children ages 7 and under and their grown-up. Each week, choose from two fun art projects, enjoy a simple, age-appropriate lesson, and then create together—or make your own individual artwork side by side. No experience needed, just come ready to create, explore, and enjoy time together! With an emphasis on creative bonding, early artistic exploration, and process over perfection, this series gives young children a fun, supportive first step into the world of art while creating meaningful shared moments with their grown-ups.
